CONTRACT APPROVAL
Contract No. SP-1914

Contract Approval dated 9 August 1957 (18357) is cancelled and the following is substituted therefor:

"This will serve as formal authorization to proceed with the required engineering and manufacturing to prototype a pilot ejection seat in one of the FOG articles.

Fifty percent (50%) of all costs incurred in connection with the prototype of a pilot ejection seat as discussed during the week of July 21, 1957 are to be charged to Contract No. SP-1914.

In the event sufficient funds do not remain in SP-1914 for this work please advise in order that we may determine if funds are available to cover this additional work.

Please submit directly to Col. S. W. Brewer and the undersigned your proposal for this work."
